

## Changes to Environmental Handling Charges in British Columbia *Effective October 1, 2024*

June 19, 2024

Dear Interchange Recycling Members:

Please be advised that **effective October 1, 2024**, the following EHC changes will be applied in British Columbia:

1. The **EHC for Lubricating Oil** is changing from \$0.06 per litre to **\$0.08 per litre**.
2. The **EHC for Antifreeze** is changing from \$0.20 per litre to **\$0.25 per litre**.
3. The **EHC for Oil & Antifreeze Containers (HDPE or Metal)** is changing from \$0.15 per litre to **\$0.17 per litre**.
4. The **EHC for Oil & Antifreeze Containers (Not HDPE or Metal)** is changing from \$0.35 per litre to **\$0.40 per litre**.
5. The **EHC for Oil Filters (less than 203mm in length)** is changing from \$0.55 per unit to **\$0.65 per unit**.
6. The **EHC for Oil Filters (more than 203mm in length)** is changing from \$1.25 per unit to **\$1.45 per unit**.

If you have any questions regarding the changes, please contact:
