Re: Letter of November 21, 2024

Dear Mr. Jantzi:

Thank you for your letter of November 21, 2024. Section 6 of the Recycling Regulation (the regulation) requires a producer to review their approved plan and advise the director what if any amendments are proposed every five years on the fifth anniversary of the date the original plan was approved under section 5 of the regulation.

The intent of the ministry staff email of November 19, 2024, was a courtesy reminder of Interchange Recycling's upcoming five-year renewal date, as determined by the regulation. As my decision on plan approval occurred approximately one month prior to the five year review date, I accept your letter as Interchange Recycling complying with Section 6(b) of the regulation and as such, Interchange should be advised to complete their next plan review and submission to the director by November 25, 2029.

Please contact me if you have any questions regarding the above at andreas.wins-purdy@gov.bc.ca.

Sincerely,

A handwritten signature in cursive script, appearing to read "Andreas Wins-Purdy".
