Reminder: Action Required Re. Yukon Reporting

July 23, 2026

Dear Members,

Interchange Recycling Yukon is writing to remind you that we require members to provide a list of registered brands for each member in Interchange Recycling Yukon's program. This is a follow up to our previous notice from June 25, 2026.

Section 19 of Yukon's Extended Producer Responsibility Regulation requires records to be maintained and reported regarding the brands that each member brings into the Yukon market. As this information is not currently collected through The Vault, we are requesting that members provide a list of brands sold into the territory by completing this form, or by sending an email with an attached list to memberservices@interchangerecycling.com.

Please submit your brand information by form or by email no later than **August 1, 2026**.

If you have any questions, please contact us at memberservices@interchangerecycling.com.

Sincerely,

Interchange Recycling
